

I am writing to state that it would be a huge oversight to allow these low band fm stations to over run k-love. It is a safe haven on th radio for me to go and hear great christian music.

The effect on the community would be drastic. Why take away something that does not allow harsh or cruel language to be over run. My grandfather always said that if something isn't broke don't fix it.

In addition k-love provides information on our LORD and SAVIOR JESUS CHRIST. Winning soles and keeping christians with a positive attitude. It also helps keep us strong.

sincerely, heath jarrett
